*For the purposes of this list, we use PricewaterhouseCoopers' definition of Silicon Valley, which includes the entire San Francisco Bay Area. PricewaterhouseCoopers defines venture capital as "money invested in exchange for equity. Debt is very often part of a venture capital deal. The MoneyTree Survey splits the debt portion of a deal from the infusion of capital. Debt is not included in the results or summaries of venture capital financings."

NOTES: † - Did not disclose. NR - Not ranked. All financial data for this list was gathered from The MoneyTree Report by PricewaterhouseCoopers and National Venture Ccapital Association based on Thomson Financial data. Other information was gathered from firm representatives and firm Web sites.

In case of ties, firms are listed alphabetically. Although every attempt is made to ensure the accuracy and thoroughness of Business Journal lists, omissions sometimes occur.
