

## New Product Of The Year Award Winners Announced

Sep 22, 2009

*Security Products* magazine, the only integrated product magazine reaching the entire security market, announced the winners of its 2009 New Product of the Year Award at the annual ASIS International Seminar and Exhibits in Anaheim, Calif. today.

The *Security Products* New Product of the Year Award honors the outstanding product development achievements of security equipment manufacturers whose products are considered to be particularly noteworthy in their ability to improve workplace security. More than 60 entries were received in the inaugural year of this contest. Ten winners were honored in seven award categories:

### **Access Control --**

Oberthur Technologies, ID-One™ PIV-BIO

### **Accessories –**

Dotworkz Systems, D3 Outdoor Camera

### **Alarm, Fire and Gas Equipment –**

Honeywell, 5870API Sensor

RSI Video Technologies, Videofied XL

### **Business Continuity –**

HID Global, HID on the Desktop

### **Network-Centric Security –**

Firetide Inc., HotPort 7000

Intransa, VideoAppliance

### **Perimeter Security –**

Optex, REDSCAN RLS-3060

### **Video Surveillance –**

MobiDEOS Inc., MobileCamViewer

QNAP Systems, VioStor-8040 NVR

In addition to being honored at ASIS, the grand prizewinners will be featured on the *Security Products* Web site, <http://www.secprodonline.com>, and highlighted in the December 2009 issue of *Security Products* magazine. All entries were showcased in the September 2009 issue of *Security Products* magazine. The magazine is distributed to more than 65,000 subscribers monthly as well as at trade events including ASIS.
